The *Journal of the History of the Neurosciences: Basic and Clinical Aspects*, the official organ of the society, is published by Taylor & Francis. Now in its 18<sup>th</sup> year, the Journal provides a forum for investigations in the field of neuroscience history, as broadly defined, including the history of basic, clinical, and behavioral neurosciences, ancient and non-western topics, and significant individuals, events, and technical advances. ISHN is a focal point for those interested in neuroscience history and offers, through its journal and annual meeting, opportunities to contribute to this rapidly growing field.

**FULL MEMBERSHIP** in the ISHN for the **calendar year January-December 2009** includes all privileges of membership, all mailings, and a one year subscription (volume 18, in 4 issues) to the *Journal of the History of the Neurosciences*. You may purchase back issues of the Journal directly from the publisher. Invoices for renewal of your membership will be sent in late fall of the calendar year.

Please complete the form on the opposite side of this sheet and submit it to the ISHN Secretary, who will update the ISHN membership database and forward the form to Customer Service at Taylor & Francis, the publisher of the Journal. Taylor & Francis will send you a pro-forma invoice, which may be paid by check, credit card, or wire transfer. The publisher will enter your subscription to the Journal and remit the Membership Dues portion of your payment to the ISHN Treasurer.

To be included in the online *ISHN Membership Directory*, complete and return a **2009 ISHN Membership Directory—Personal Data Sheet** (available at the ISHN website)
