Application for FULL MEMBERSHIP as a GIFT 2015

The International Society for the History of the Neurosciences (ISHN) was founded in 1995. Its mission is to:

- improve communication between individuals and groups interested in the history of neuroscience;
- promote research in the history of neuroscience; and
- promote education in and stimulate interest for the history of neuroscience.

The Journal of the History of the Neurosciences: Basic and Clinical Aspects, the official organ of the society, is published by Taylor & Francis. Now in its 24th year, the Journal provides a forum for investigations in the field of neuroscience history, as broadly defined, including the history of basic, clinical, and behavioral neurosciences, ancient and non-western topics, and significant individuals, events, and technical advances. ISHN is a focal point for those interested in neuroscience history and offers, through its journal and annual meeting, opportunities to contribute to this rapidly growing field.

FULL MEMBERSHIP in the ISHN for the calendar year January-December 2015 includes all privileges of membership, all mailings, and a one year subscription (volume 24, in 4 issues), both print and electronic/online, to the Journal of the History of the Neurosciences. An invoice for renewal of your membership will be sent in late Fall of the calendar year.

Please complete the form on the opposite side of this sheet and submit it to the ISHN Secretary, who will update the ISHN membership database and forward the form to Taylor & Francis, the publisher of the Journal. Taylor & Francis will send you a pro-forma invoice, which may be paid by check, credit card, or wire transfer. The publisher will enter the Gift subscription to the Journal and remit the Membership Dues portion of your payment to the ISHN Treasurer.

To be included in the online ISHN Membership Directory, complete and return a 2015 ISHN Membership Directory—Personal Data Sheet (available at www.ishn.org)

Founding Meeting: Montreal, Quebec, Canada (1995)
